Enjoy skate skiing on our groomed trail.

Have a rest and enjoy the view.

WELCOME!

McNaughton Trail System follows old logging roads and is a very easy scenic trail. The trail meanders around three different lakes and provides excellent views. Hiking and biking can be enjoyed when it is not groomed for skiing. This trail is groomed for classic skiing and is great for beginners. McNaughton is the only Northern Highland American Legion trail that has a red loop groomed for skate skiing in winter which follows around McNaughton Lake. There is a warming shelter with a fire ring on the trail. Leashed pets are only allowed on the trail system when not groomed for skiing. A daily or annual state trail pass is required for skiing and biking.
