TIME	LESSON OUTLINE	AID CUES
0:00	Purpose of the lesson: The purpose of the lesson is to show students the affects alcohol/drugs will have on a person. Then, relate what they have learned to the operation of an ATV/snowmobile.	
5:00	E-EDUCATE The law: No person can operate an ATV/snowmobile while under the influence of an intoxicant to a degree, which renders him or her incapable of safe ATV/snowmobile operation. And above all, no person is allowed to operate an ATV/snowmobile while the person has an alcohol	May mean only 1 beer or drink

concentration of 0.08 or more.

Causing Injury:

You can cause injury or death to a person if you're intoxicated. If this happens, the penalties are much more severe, such as high fines and possibly going to prison. It is important to know:

Alcohol and drugs slow your reflexes, affects how you see, your sense of balance, your judgement, and gives you a feeling of being warm when you are not.

Reinforce no alcohol is best

## **OWI Drunk Buster Goggle Use:**

Maintain adult supervision at all times. Instructors shall closely monitor the students to steady them in case they become unbalanced. If students begin to engage in horseplay, discontinue the activity.

#### **D-DEMONSTRATE**

While sitting on the ATV/snowmobile an instructor will remove an ignition key from his/her pocket and place into ignition and simulate starting the ATV/Snowmobile.

Repeat procedure utilizing Drunk Buster goggles.
