## **I. BACKGROUND**

A. The Plaintiffs have filed a complaint in this matter pursuant to Sections 106 and 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. §§ 9606 and 9607 (“CERCLA”), seeking declaratory and injunctive relief regarding the cleanup of the Lower Fox River and Green Bay Site (the “Fox River Site” or the “Site,” as defined below) and recovery of certain response costs incurred in connection with releases and threatened releases of hazardous substances at and from the Site. The responsible natural resource trustees also contend that they have claims for recovery of natural resource damages (including for recovery of natural resource damage assessment costs) and the Plaintiffs’ complaint seeks recovery of such damages. This Consent Decree sets forth the terms of a civil settlement among the Plaintiffs, the responsible natural resource trustees, and certain Settling Defendants (identified below in Subparagraph 4.v). This Consent Decree also resolves the potential liability of the State of Wisconsin (the “State”) for the Site, as provided herein.

B. The United States of America (“United States”) instituted this action on behalf of the Administrator of the United States Environmental Protection Agency (“EPA”) and the Secretary of the United States Department of the Interior (“DOI”), acting in consultation with the United States Department of Commerce (“Commerce”).

C. Pursuant to Executive Order 12580 and the National Contingency Plan, 40 C.F.R. Part 300, the President has delegated authority to act as Federal Trustees for natural resources at and near the Site to DOI, as represented by the United States Fish and Wildlife Service, and Commerce, as represented by the National Oceanic and Atmospheric Administration.

D. The State instituted this action at the request of the Governor of Wisconsin on behalf of the Wisconsin Department of Natural Resources (“WDNR”), and is entering into this Consent Decree on behalf of WDNR.

E. WDNR is a response agency and a State Trustee for natural resources at or near the Site.

F. The Menominee Indian Tribe of Wisconsin and the Oneida Tribe of Indians of Wisconsin (the “Tribes,” as defined below) are Tribal Trustees for natural resources at or near the Site. The Tribes are Parties to this Consent Decree.

G. The Fox River Site is located in the northeastern portion of the State of Wisconsin. Hazardous substances have been released, and are threatened to be released, at and from the Site.

H. As a result of the release or threatened release of hazardous substances, EPA and the State have undertaken response actions at or in connection with the Site under Section 104 of CERCLA, 42 U.S.C. § 9604, and will undertake response actions in the future. In performing these response actions, EPA and the State have incurred and will continue to incur response costs at or in connection with the Site. These response actions include, *inter alia*: (a) the performance of a Remedial Investigation and Feasibility Study at the Site; (b) the selection of an overall remedy for the Site that will involve containment and removal of sediment contaminated with polychlorinated biphenyls (“PCBs”) through a combination of capping, dredging, dewatering, and upland landfill disposal, as set forth in two Records of Decision (as amended); (c) oversight of response actions implemented; and (d) various enforcement actions. The Trustees have been involved in various natural resource assessment activities relating to the Site. The Trustees have incurred and will continue to incur assessment costs associated with natural resource damage assessment activities relating to the Site.

I. The Site includes approximately 39 miles of the Lower Fox River (the “Fox River”) as well as the bay of Green Bay (the “Bay”). The Fox River portion of the Site extends from the outlet of Lake Winnebago and continues downstream to the mouth of the Fox River at the City of Green Bay. The Bay portion of the Site extends from the mouth of the Fox River at the City of Green Bay to the point where the Bay enters Lake Michigan. The Site has been divided into five geographically-defined Operable Units (“OUs”), as described in the Records of Decision and as depicted in Appendix A: OU 1 - Little Lake Butte des Morts; OU 2 - Appleton to Little Rapids; OU 3 - Little Rapids to DePere; OU 4 - DePere to Green Bay; and OU 5 - the Bay of Green Bay.

J. On July 28, 1998 (63 Fed. Reg. 40247), pursuant to Section 105 of CERCLA, 42 U.S.C. § 9605, EPA proposed to place the Site (also called the “Fox River NRDA/PCB Releases Site”) on the National Priorities List, set forth at 40 C.F.R. Part 300, Appendix B.

K. Pursuant to CERCLA and the National Contingency Plan, a Remedial Investigation and Feasibility Study (“RI/FS”) for the Site was prepared under WDNR’s technical lead, and draft RI/FS reports were released for public comment in March 1999. In October 2001, EPA and WDNR (collectively referred to herein as the “Response Agencies”) issued and sought public comment on a proposed remedial action plan for the Site. Final RI/FS reports for the Site were published in December 2002. The RI/FS estimated that sediment at the Site is contaminated with nearly 100,000 kilograms of PCBs, including nearly 70,000 kilograms of PCBs in the Bay.

L. In December 2002, the Response Agencies signed and issued a Record of Decision for OUs 1 and 2 at the Site.

M. In June 2003, the Response Agencies signed and issued a Record of Decision for OUs 3, 4, and 5 at the Site.

N. Phase 1 remediation in OU4 was performed in 2006 pursuant to a judicially-approved Consent Decree with NCR Corporation and Sonoco-U.S. Mills Corp. (n/k/a U.S. Paper Mills Corp.).

O. In June 2007, the Response Agencies signed and issued a Record of Decision Amendment for OU 2 (Deposit DD), OU 3, OU 4, and OU 5 (River Mouth) at the Site.

P. In June 2008, the Response Agencies signed and issued a Record of Decision Amendment for OU 1 at the Site.

Q. In February 2010, the Response Agencies signed and issued an Explanation of Significant Differences concerning the selected remedy for OU 2, OU 3, OU 4, and OU 5 (River Mouth) at the Site.

R. The remedial action for OU 1 has been performed pursuant to a judicially-approved Consent Decree with P.H. Glatfelter Co. (“Glatfelter”) and WTM I Company (“WTM”). Monitoring, maintenance, and post-remedy institutional controls activities are ongoing under that Consent Decree.

S. On November 13, 2007, EPA issued a Unilateral Administrative Order (“UAO”) pursuant to 42 U.S.C. § 9606(a) which directed Appleton Papers Inc. (“API”), NCR Corporation (“NCR”); WTM; Glatfelter; Menasha Corporation; U.S. Paper Mills Corp.; Georgia-Pacific Consumer Products, LP, and CBC Coating, Inc. to implement the remedial action for OUs 2, 3, 4, and 5 of the Site, as set forth in the Records of Decision addressing those portions of the Site.

T. In 2008, NCR and API commenced two related lawsuits concerning the Site against the Settling Defendants and other parties that were consolidated under the caption *Appleton Papers Inc. and NCR Corp. v. George A. Whiting Paper Co., et al.*, No. 08-CV-16 (E.D. Wis.) (the “Whiting Litigation”).

U. Most of the defendants in this action have filed counter-claims against the State of Wisconsin. Various defendants have alleged that the State has liability for the Site due to past recycling of wastepaper that may have contained PCBs by certain State agencies, due to the State's ownership of certain lake bed areas, or both.

V. The Settling Defendants do not admit any liability to the Plaintiffs, the Tribes, or any other person or party arising out of the Site or out of the transactions or occurrences alleged in the complaint in this action or in the *Whiting* Litigation. The State does not admit any liability arising out of the transactions or occurrences alleged in counter-claims in this action.

W. WTM is a Chapter 11 debtor and debtor-in-possession in the United States Bankruptcy Court for the Eastern District of Virginia, Richmond Division (the "Bankruptcy Court"), where its Chapter 11 bankruptcy case is jointly administered as Case No. 08-36642, captioned *In re Canal Corporation, et al.* (the "WTM Bankruptcy Cases").

X. In accordance with the National Contingency Plan, the State was notified of negotiations with the Settling Defendants regarding this potential settlement. The State has been an active participant in such negotiations and is a party to this Consent Decree.

Y. Consistent with CERCLA Section 122(j)(1), 42 U.S.C. § 9622(j)(1), EPA has notified the Trustees, as represented by the Fox River / Green Bay Natural Resource Trustee Council, of negotiations with potentially responsible parties regarding this settlement as it relates to injuries to natural resources under Federal, State, and Tribal trusteeship at the Site. The Trustees have participated in the negotiation of this Consent Decree and support this Consent Decree.

Z. By entry into this Consent Decree, each Party is agreeing to compromise and settle based on acknowledged uncertainties concerning the future outcome of pending appeals that have been consolidated under the captions *United States v. P.H. Glatfelter Co.*, No. 13-2436 (7th Cir.) and *NCR Corporation v. George A. Whiting Paper Company, et al.*, No. 13-2447 (7th Cir.). By settling in this manner each Party is agreeing to avoid potential litigation advantages or disadvantages vis-à-vis the other Parties that might otherwise result from the resolution of any of those appeals. See *Ackermann v. United States*, 340 U.S. 193 (1950); *United States v. City of New Orleans*, 731 F.3d 434 (5th Cir. 2013). The Parties intend to give the Court of Appeals notice of this Consent Decree when it is lodged with this Court. This Court's entry of this Consent Decree would be sought after an appropriate remand, if necessary, by the Court of Appeals. See Fed. R. Civ. P. 62.1; Fed. R. App. P. 12.1; Seventh Circuit R. 57; *Boyko v. Anderson*, 185 F.3d 672 (7th Cir. 1999).

AA. The Parties recognize, and the Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith, that implementation of this Consent Decree will expedite the cleanup of the Site and will avoid or minimize prolonged and complicated litigation, and that this Consent Decree is procedurally and substantively fair, reasonable, and in the public interest.

THEREFORE, based on the foregoing and with the consent of the Parties to this Consent Decree, it is ORDERED, ADJUDGED, and DECREED:

## **II. JURISDICTION**

20. Non-Applicability of Covenants. The covenants in this Section (including the claim waivers in Paragraph 21 (Waiver of Claims By the Settling Defendants)), shall not apply if the United States, the State, or either of the Tribes brings a claim or cause of action or issues an order pursuant to the reservations set forth in Paragraphs 15.c-15.e, 16, or Paragraph 17, but only to the extent that the claims or causes of action by the Settling Defendant or the State arises from the same claim or cause of action brought or order issued by the United States, the State, or either of the Tribes pursuant to the applicable reservation.

21. Waiver of Claims By the Settling Defendants.

a. Waiver of Claims for Settlement Payments and Expenditures.

(1) Each Settling Defendant and its Related Parties waives and agrees not to assert any claims or causes of action (including but not limited to claims for contribution under CERCLA) that it may have for all payments and expenditures under:

(i) this Consent Decree; (ii) the Consent Decree, all Agreed Supplements to the Consent Decree, the Amended Consent Decree, and the 2003 Administrative Order on Consent appended to the Consent Decree and Amended Consent Decree in *United States and State of Wisconsin v. P.H. Glatfelter Co. and WTM I Co.*, Case No. 03-C-949 (E.D. Wis.); and (iii) the Consent Decree in *United States and State of Wisconsin v. NCR Corporation and Sonoco-U.S. Mills Corp.*, Case No. 06-C-484 (E.D. Wis.). This waiver of claims shall include, but shall not be limited to, any asserted or unasserted claims or causes of action by a Settling Defendant, whether in this action, the *Whiting* Litigation, or any future action related to the Site, for recovery of such payments and expenditures.

(2) The waiver in Paragraph 21.a.(1) shall not apply to any claims that a Settling Defendant may have (i) against Appvion, Inc. if either Appvion, Inc. or NCR or both pursue(s) a claim relating to this Site against that Settling Defendant; and (ii) against NCR if either Appvion, Inc. or NCR or both pursue(s) a claim relating to this Site against that Settling Defendant. The reservation in this Paragraph 21.a.(2) shall apply only if the claim by Appvion, Inc. or NCR is not precluded by the contribution protection provisions of this Consent Decree or any other consent decree relating to this Site.

b. Waiver of Other Potential Claims Relating to the Site.

(1) Except as specified by Paragraphs 20 and 21.a, and subject to the conditional reservations in Paragraphs 21.a.(2) and 21.b.(2), each Settling Defendant and its Related Parties waives and agrees not to assert any claims or causes of action (including but not limited to claims for contribution under CERCLA) that it may have for all matters relating to the release of PCBs to the Site against any other person who is a potentially responsible party under CERCLA at the Site. This waiver includes, but is not

limited to, any asserted or unasserted claims or causes of action by a Settling Defendant, whether in this action, the *Whiting* Litigation, or any future action related to the Site, for recovery of its Fox River Group costs based on contract law or any other theory of recovery.

(2) The waiver in Paragraph 21.b.(1) shall not apply to any claim that a Settling Defendant may have against the Specified Defendants, including but not limited to any claim for Fox River Group costs, if any Specified Defendant pursues a claim relating to this Site against that Settling Defendant. The reservation in this Paragraph 21.b.(2) shall apply only if the Specified Defendant's claim is not precluded by the contribution protection provisions of this Consent Decree or any other consent decree relating to this Site.

c. The claim waivers in this Paragraph 21 shall take effect upon the Effective Date, but are conditioned on the Consent Decree's continued effectiveness. Nothing in this Paragraph 21 is intended to diminish the contribution protection provided to the Settling Defendants and Settling Defendants' Related Parties by this Consent Decree or any other consent decree relating to this Site. Notwithstanding any provision in this Consent Decree, the claim waivers in this Paragraph 21 shall not apply to any claims brought by a Settling Defendant against its own insurance carriers.

## **XII. EFFECT OF SETTLEMENT / CONTRIBUTION**

22. **Rights Reserved.** Except as provided in Paragraph 21 (Waiver of Claims By the Settling Defendants) and in the provisions concerning the Settling Defendants' Related Parties, nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Except as provided in Paragraph 21 and

in the provisions concerning the Settling Defendants' Related Parties, the Plaintiffs, the Tribes, and the Settling Defendants each reserve any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action which each Party may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto.

23. Waiver of Claim-Splitting Defenses. In any subsequent administrative or judicial proceeding initiated by the United States, the State, or the Tribes for injunctive relief, recovery of response costs or Natural Resource Damages, or other relief relating to the Site, the Settling Defendants and the State shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised in the subsequent proceeding were or should have been brought in the instant action; provided, however, that nothing in this Paragraph affects the enforceability of the Covenants by the Plaintiffs and the Tribes set forth in Section IX.

24. Contribution Protection. The Parties agree, and by entering this Consent Decree this Court finds, that this Consent Decree constitutes a judicially-approved settlement for purposes of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and that the Settling Defendants, the Settling Defendants' Related Parties, and the State are entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, or as may be otherwise provided by law, for "matters addressed" in this Consent Decree. The "matters addressed" in this Consent Decree are Natural Resource Damages and all response actions taken or to be taken and all response costs incurred or to be incurred, at or in connection with the Site, by the United States, the State, or any other person; provided, however,

that if the United States, the State, or either of the Tribes exercises rights against a Settling Defendant or the State under the reservations in Subparagraph 15.c, Paragraph 16, or Paragraph 17, the “matters addressed” in this Consent Decree will no longer include those response costs or response actions or natural resource damages that are within the scope of the exercised reservation.

preceding requirement to comply with requirements of the Consent Decree upon the Date of Lodging shall terminate.

**XXII. PROVISIONS RELATING TO WTM'S BANKRUPTCY STATUS**

41. Notwithstanding any other provision herein, WTM's participation in this settlement is subject to and contingent upon approval of the Bankruptcy Court of WTM's entry into this Consent Decree. WTM also intends to seek Bankruptcy Court approval of a related settlement with its insurance carriers. WTM shall exercise its best efforts to obtain Bankruptcy Court approval to enter into this Consent Decree and, when this Consent Decree is lodged, shall promptly seek such approval pursuant to Bankruptcy Rule 9019. WTM's payment specified in Appendix B shall be made to the Court Registry Account within 30 Days of either the Bankruptcy Court's order issuing such approval or the Court's order in this action authorizing payment by the Settling Defendants into the Court Registry Account, whichever occurs later. In the event the orders of the Bankruptcy Court approving WTM's entry into this Consent Decree and a related insurance settlement are reversed on appellate review, WTM's funds deposited into the Court Registry Account (and all accrued interest) shall be returned to WTM pursuant to a separate Withdrawal Order of the Court.

42. The United States and the State will be deemed to have withdrawn their claims filed in the WTM Bankruptcy Cases, with the United States' claim having been assigned Claim No. 1148 and the State's claim having been assigned Claim No. 1172. The withdrawal shall take effect as of the Effective Date, but shall be conditioned on the Consent Decree's continued effectiveness and on WTM's payment and the Plaintiffs' receipt and retention of the full cash amount specified in Appendix B for WTM.

43. For WTM and WTM's Related Parties, the application of the provisions of Section IX of this Consent Decree (Covenants By the Plaintiffs and the Tribes) and Section XII of this Consent Decree (Contribution / Effect of Settlement) is conditioned on WTM's payment and the Plaintiffs' receipt and retention of the full cash amount specified in Appendix B for WTM (as opposed to a reduced cash amount to be paid as a distribution for allowed claims in the WTM Bankruptcy Cases). WTM shall not propose or seek confirmation of any plan of reorganization or plan of liquidation that is inconsistent with the terms and provisions of this Consent Decree, or take any other action in the WTM Bankruptcy Cases that is inconsistent with the terms and provisions of this Consent Decree; provided, however, that notwithstanding the foregoing or any other provision herein, nothing in this Consent Decree requires WTM to remain in existence or otherwise prohibits WTM from winding-up its affairs and ceasing to exist, including without limitation through a chapter 11 plan, conversion to chapter 7 of the Bankruptcy Code, or an order dismissing its bankruptcy case after WTM has paid the amount identified in Paragraph 5 and performed its obligations under Paragraph 26.a, and after entry of this Consent Decree by the District Court and either affirmation on appellate review of such entry or the expiration of time to appeal such entry.

44. The provisions of Section X and Section XV of this Consent Decree will not apply to WTM. With respect to WTM, the United States, the State, and the Tribes expressly reserve, and this Consent Decree is without prejudice to, all rights against WTM with respect to all matters other than those expressly specified in Paragraphs 12, 13, and 14. With respect to WTM, the United States, the State and the Tribes also specifically reserve, and this Consent Decree is without prejudice to, any action based on WTM's failure to meet a requirement of this Consent Decree. In addition, the United States, the State and the Tribes reserve, and this Consent Decree

is without prejudice to, all rights against WTM with respect to the Site for liability under federal or state law for acts by WTM or its successors or assigns that occur after the Date of Lodging of this Consent Decree.

### **XXIII. SIGNATORIES / SERVICE**

45. Each undersigned representative of a Settling Defendant, the United States, the State, and the Tribes certifies that he or she is fully authorized to enter into the terms and conditions of this Consent Decree and to execute and legally bind such Party to this document; provided, however, that WTM's entry into this Consent Decree is subject to and contingent upon Bankruptcy Court approval. This Consent Decree may be executed in multiple counterparts, each of which shall be deemed an original, but all of which, taken together, shall constitute one and the same instrument.

46. The Settling Defendants hereby agree not to oppose entry of this Consent Decree by this Court or to challenge any provision of this Consent Decree, unless the United States has notified the Settling Defendants in writing that it no longer supports entry of the Consent Decree.

47. Each Settling Defendant shall identify, on an attached signature page, the name and address of an agent who is authorized to accept service of process by mail on behalf of that Party with respect to all matters arising under or relating to this Consent Decree. The Settling Defendants hereby agree to accept service including, but not limited to, service of a summons, in that manner and to waive the formal service requirements set forth in Rule 4 of the Federal Rules of Civil Procedure and any applicable local rules of this Court.

#### **XXIV. FINAL JUDGMENT**

48. Upon approval and entry of this Consent Decree by the Court, this Consent Decree shall constitute a final judgment between and among the United States, the State, the Tribes, and the Settling Defendants. The Court finds that there is no just reason for delay and therefore enters this judgment as a final judgment under Fed. R. Civ. P. 54 and 58.

SO ORDERED

*THE COURT'S APPROVAL AND ENTRY OF THIS  
CONSENT DECREE SHALL BE SIGNIFIED BY  
ENTRY OF A SEPARATE ORDER IN  
ACCORDANCE WITH THE COURT'S  
ELECTRONIC CASE FILING POLICIES AND  
PROCEDURES MANUAL*
