Depending on group size 15-30 minutes	<p>Purpose of the lesson:</p> <p>The purpose of the lesson is to show students the affects alcohol/drugs will have on a person. Then, relate what they have learned to the operation of a Boat/ATV/snowmobile.</p> <p>Educate:</p> <p>Know the law:</p> <p>No person can operate a Boat/ATV/Snowmobile while under the influence of an intoxicant to a degree, which renders him or her incapable of safe operation and no person is allowed to operate a Boat/ATV/Snowmobile while the person has an alcohol concentration of 0.08 or more.</p> <p>Causing Injury:</p> <p>You can cause injury or death to a person if you're intoxicated. If this happens, the penalties are much more severe, such as high fines and possibly going to prison. It is important to know: Alcohol and drugs slow your reflexes, affects how you see, your sense of balance, your judgment, and gives you a feeling of being warm when you are not.</p> <p>OWI Drunk Buster Goggle Use:</p>
